Re: Ninth Avenue Dump
Special Notice of Potential Liability

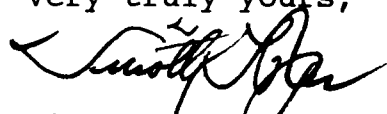

Dear Ms. Allison:

By letter dated July 7, 1988, the United States Environmental Protection Agency ("EPA"), among other things, demanded reimbursement of costs that had been incurred in connection with the above-referenced site. This letter was sent to me as the listed contact person for the potentially responsible party we represented. Please be advised that this firm does not represent American National Can Company in this matter and that all future correspondence relative thereto should be sent to the following:

Richard A. Kabaker, Esq.
American National Can Company
8770 West Bryn Mawr Avenue
Chicago, IL 60631-3054.

Please revise your records to reflect this change.

Very truly yours,

Timothy G. Rogers
